Nervous Depression.

Summer months are peculiarly the months of nervous diseases, especially nervous prostration and other depressed states of the nervous system. People who are not at all inclined to be nervous or suffer from weak nerves find this time especially trying. Salty heat and electrical disturbances of the atmosphere are probably the cause of this.

Invalids need to be particularly careful to fortify the nervous system by the use of Peruna.

Miss Helen Roloff, Kaukauna, Wis., writes: "Several times during the past two years more my system has been greatly in need of a tonic, and at those times Peruna has been of great help in building up the system, restoring my appetite and securing restful sleep. I know a great number of women who are using it for the troubles peculiar to the sex, and with the best results."

—Helen Roloff.

MISS LOUISE BERTSEL.

Miss Louise Bertsel, 101 1/2 Second street, Brooklyn, N. Y., writes: "My health was excellent until about six months ago, when I seemed to have a collapse from over-exercising socially, and the doctor ordered an entire change of scene and climate. As this was an impossibility at the time, I had to try and regain my health in another way and was induced by a friend, who gave Peruna such a good recommendation, to try Peruna. I cannot tell you the condition of my nerves when I began to use it. The least noise irritated me, and I felt that life was not worth living, but Peruna soon changed me into a well woman, and now I do not know I have nerves."

—Louise Bertsel.

A newspaper contributor was lately admitted into the extensive suite of offices which constitute the headquarters of Dr. Hartman, who treats catarrh patients by the thousand. Among the busy swarm of assistant doctors, clerks, stenographers and bookkeepers, Dr. Hartman stopped long enough to say a few words.

A large number of female patients visit me every year, but the number who are entered on my books as regular patients and are treated by correspondence is very much larger. Hundreds of letters are received and answered free every day. A yet greater multitude take my catarrh remedy, Peruna, and are cured, of whom I never hear. Some of this latter class write me years after their cure.

time. The medicine only is obtained by each patient at her own drug store. Those desiring to become regular patients have only to send address, duration of disease and treatment previously received, and directions for the first month's treatment will be sent at once.

Over half the women have catarrh in some form or another. And yet, probably not a tenth of the women know that their disease is catarrh. To distinguish catarrh of various organs it has been named very differently.

One woman has dyspepsia, another bronchitis, another Bright's disease, another liver complaint, another consumption, another female complaint. These women would be very much surprised to hear that they are all suffering with chronic catarrh. But it is so, nevertheless.

Each one of these troubles and a great many more are simply catarrh—that is, chronic inflammation of the mucous lining, of which organ is affected. Any internal remedy that will cure catarrh in one location will cure it in any other location. This is why Peruna has become so justly famous in the cure of female diseases. It cures catarrh wherever located. Its cures remain. Peruna does not palliate—it cures.

MISS JENNIE FINLEY.

Miss Jennie Finley, 79 Madison Street, Memphis, Tenn., a popular young society lady of that place, writes: "Three years ago I had very poor health, and while I was only sick occasionally, I was unable to enjoy life, and looked vitality and strength. I was an easy subject to cold and malaria. Four bottles of Peruna changed my entire physical condition. My head stopped aching, my strength returned, and the poison was driven out of my blood till I felt like a new and well woman once more. It is a truly great medicine and well worthy the good things its friends say about it, and it will always have my indorsement."

—Jennie Finley.

MISS LUCY M. RILEY.

Miss Lucy M. Riley, 33 Davenport street, Cleveland, Ohio, writes: "I wish to add my indorsement to thousands of other women who have been cured through the use of Peruna. I suffered for five years with severe backache, and when weary or worried in the least I had prolonged headache. This fall I caught a bad cold and was advised to take Peruna for it. Imagine my astonishment and pleasure to find that after taking Peruna not only was my cough gone, but I had no more backache or headache. I am now in perfect health, enjoy life and have neither an ache or pain, thanks to Peruna."

—Lucy M. Riley.

D., 1904, to build a low truss, four panel, steel bridge, 50 ft. span, across Black Creek on public road in Sec. 12, Twp. 48, R. 20, about seven miles south of Higginsville and just north of old Norland post office. The entire structure to be steel, except floor and mudsills, should latter be used. If mudsills are used they are to be 10x10 inches, 16 feet long. Substructure to be either legs or tubular pieces. Roadway 12 ft. floor 3 1/2 inch white oak, railing 1 1/2 inch. Floor to be 8 1/2 feet above bed of stream and foundation to be 4 1/2 feet below bed of stream. Capacity of bridge to be not less than 1,000 lbs. per lineal foot of floor. Plan and strain sheet to accompany any bid. Bids will be opened in presence of county clerk, but contract will not be awarded until commissioners shall have thoroughly examined plans submitted. Should any one of said plans and bids be approved, then commissioners will notify party submitting said bid that county is ready to enter into contract for said bridge. The workmanship and material in bridge, are to be first-class. Contractor is to give bond for maintenance of bridge as the law directs. Commissioner reserves right to reject any or all bids.

Also on same date at 11 o'clock a. m. I will let for construction another bridge about 50 feet long to be built across branch about one-fourth mile south of first named bridge and near the residence of W. C. Barnes.

Plans and specifications can be seen at time and place of letting.

Contractor is to give bond for maintenance of bridge as the law directs.

Commissioner reserves right to reject any or all bids.

5-28td B. D. WEEDIN, Commissioner.

GUARDIAN'S NOTICE.

Notice is hereby given that the undersigned has been appointed guardian of the person and estate of Frank Salyers, who has been by the probate court of Lafayette County, Missouri, adjudged insane and incompetent of managing his affairs. All persons having claims against said estate are required to exhibit them for allowance to the guardian within one year after the date of this notice, and if such claims be not exhibited within two years from the date of said notice they will be forever barred.

This 2nd day of June, 1904.

WALTER M. SALYERS, Guardian.

Have You a Cough.

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Horebine at bed time and frequent small doses of Horehound Syrup during the day will remove it. Try it for whooping cough, for asthma, for consumption, for bronchitis. Mrs. Joe McGrath, 327 E. 1st street, Hutchinson, Kan., writes: "I have used Ballard's Horehound Syrup in my family for 5 years, and find it the best and most palatable medicine I ever used."
